Overview

Human Assets Training (HAT) for training and consultations established in 2011 in Al-Khobar with a branch in Jubail. **HAT** approved as a training provider with **Saudi Aramco** Vendor No.: **(10050417)**. TVTC registration No.: **(8/1/152021)** and CR No.: **(20510472202)**.

HAT main objective is delivering high-quality output training. It's our role, responsibility and obligation to ensure making difference in training. **HAT** is accredited by awarding bodies such as NEBOSH, IOSH, CIEH, IADC, NSC, PMI and Cambridge. All courses are delivered with different methods such as Face-To-Face, E-Learning, Blended learning. We are flexible to respond for clients' needs. We invite organizations and individuals, to invest in their Human Assets.

We conducted more than 10,000 sessions for Saudi Aramco and their contractors. **HAT** instructors and certifications are recognized by awarding bodies. Our certificates are tracked by integrated locking system through our website.

As an ISO 9001:2008 certified organization, we maintain a Quality Management System (QMS). This System ensures our:

- Operating policies and procedures are standardized.
- Quality processes are repeatable and quality driven.
- Process improvements are continuous actions that are monitored to completion.
- Performance meets and exceeds the clients objectives

Approved Training Fields:

- English Courses.
- Computer Programs.
